Jaycees To Sell Honey

Around 22,000 jars of honey will be sold statewide by local Jaycee chapters in the special "Honey Sunday" April 8 fund-raising project for charity. The proceeds of this year's project will go to Camp ASCCA, a specially designed facility and year-round program of camping, recreation and outdoor education for the handicapped. A new Jaycee Occupational Therapy/Arts and Crafts building is now under construction at the camp. For more information on "Honey Sunday" or camping at Camp ASCCA, contact Camp ASCCA, P. O. Box 21, Jackson's Gap, Alabama 36861 or 825-9226.

Mike Weeks Represents Part Of County

Mike Weeks, an Insurance man in Troy, is serving in the Senate as the Representative of District 23. District 23 consists of Macon, Bullock and Pike Counties, along with most of Barbour County and portions of Coffee, Dale and Henry Counties. A business graduate from the University of Alabama, Weeks is a Navy veteran and a graduate of Samson High School. Weeks is a past president of the Alabama Association of Life Underwriters, and for the past five years has served as Chairman of the State Law and Legislation Committee, working in Montgomery in the area of legislation concerning the life insurance industry. He is a member of the Troy Exchange Club, Troy State University Century Club and he is a Jaycee officer. Committees Weeks is serving on include - Commerce, Transportation and Utilities; Banking and Insurance; Business and Labor; and Agriculture, Conservation and Forestry.

Wallace Miller Speaks For Counties

Wallace Miller, who has served in the Senate since 1976, is the representative from District 25. District 25 is composed of Covington and Geneva Counties, a large portion of Coffee and approximately half of Houston County. Born and raised in Enterprise, Miller attended Auburn University where he received a B.S. Degree in Agricultural Science and a Doctor of Veterinary Medicine Degree. A practicing veterinarian for over 20 years, Dr. Miller has served twelve years as Chairman of the Alabama Dairy Commission and two terms as president of the Enterprise Chamber of Commerce. Miller was a delegate to the 1968 and 1976 National Democratic Conventions. He is married to the former Anne Watkins and they have two children. Dr. Miller has been appointed to a number of important committees, including - Finance and Taxation; Agriculture, Forestry and Conservation; Health and Welfare; Support Committee; Southern Regional Educational Board and Legislative Advisory Council.

James Ray Covers Third Of Coffee County

James E. Ray, of Troy, the State Representative for portions of Barbour, Bullock, Coffee and Pike Counties, is serving a second term as the District 58 Representative. A Barbour County native, Ray received his Bachelor's Degree in Engineering from Auburn. He is the president of Botts and Ray, Inc., an engineering firm in Troy. He also teaches part-time at Troy State University. Representative Ray served as Mayor and Commissioner of Troy for 12 years and is the charter president of the Alabama Society of Professional Land Surveyors. Ray serves on the Boards of Directors of the Troy Chamber of Commerce, Troy Federal Savings and Loan, and Retired Senior Volunteer Program. He is chairman of the Pike County Rural Conservation and Development Committee and Deacon of Bush Memorial Baptist Church. He is married to the former Ann Botts and they have two children - James, Jr., and Judy Ray Colley. Representative Ray has accepted appointments to four legislative committees - Education, Constitution and Elections, Local Government and Local Legislation #1. Ray will be Chairman of the latter committee.

Jimmy Holley Serves Most Of County

Jimmy W. Holley, of Elba, is serving District 74 in the Alabama House of Representatives for a second consecutive term. Representative Holley is a 1962 graduate of Elba High School and received his B.S. Degree in Political Science and his M.A. Degree in School Administration from East Tennessee State University. He is the president of the Elba Tractor Company, Inc. Representative Holley has served the field of education for eight years as a classroom teacher and principal. He and his wife, Mary have two sons - John and Jason. In the current legislative term, Holley is serving as Chairman of the Commerce and Transportation Committee, and he also serves on the Agriculture Committee and Local Legislation Committee No. 1.

Guard Offering New Cash Bonus Program

For the remainder of the fiscal year (Sep. 70), enlistment bonus options are in effect for joining the Elba Army National Guard unit. Under the plan, this unit may offer enlistment bonus options to non-prior-service recruits. The unit received this option because it is critical to the Army's wartime mission. Under the program, a cash bonus or educational aid will be offered a volunteer at the time he enlists for six years. A recruit may choose one or the other. The program includes a \$1,500 cash bonus for a minimum six-year enlistment, or 50 percent education cost assistance - with a maximum of \$2,000 - for a six-year enlistment. A person selecting the bonus option will receive \$750 upon completion of basic and advanced individual training. At the end of the second and third year, a payment of \$200 will be made. The balance will be paid at the end of the fourth year. Educational assistance pays a portion of educational expenses incurred for instruction at a college, university, junior college, or trade school during the period of enlistment. There is a limit of \$500 per year or 50 percent of the expenses - whichever is less - and a total of \$2,000 for the term of enlistment. High school seniors and high school graduates are eligible for these bonuses.

Parents Must Okay Child's Evaluation

Parents of first, third and fifth graders of Elba Elementary and Elba Middle Schools will be receiving letters stating their child's results from a speech and language screening done in their school. Sonja Helms, Speech and Language Pathologist, conducted the screening program Monday, March 26, through Friday, March 30. If parents receive a letter requesting their permission to conduct a speech evaluation on their child, they are urged to sign and return it as soon as possible. This will allow the child to receive speech services at the earliest date possible. If parents have any questions, Mrs. Helms may be reached during school hours at 897-2814.

Miss New Brockton Set For April 6

The New Brockton High School Junior Class will present the Miss New Brockton pageant on Friday, April 6, 1970, at 7:30 p.m. in the high school auditorium.

Little Miss New Brockton Named

Little Candice Leigh Stokes, daughter of Mr. and Mrs. Paul Stokes, was named Little Miss New Brockton in the event was last Thursday night. Runner-up in the event was Jennifer McCormick, daughter of Mr. and Mrs. James McCormick, Jr. of New Brockton. Second runner-up was Laura Ann Lunsford, daughter of Mr. and Mrs. Howard Lunsford. Entertainment at the intermission was by Little Miss National Peanut, Molly Mizell of Ozark.

Elba City Council Clashes With Mayor Over Truck

The Elba City Council was short two members Tuesday night as Councilman Cleo Hawkins and Mike Russell were absent. The meeting was smooth for the most part until Mayor Folsom presented two prices on a 1 1/2-ton trash truck he said was needed "On emergency basis."

The three members of the Council present expressed concern over the increasing cost of gasoline (\$34.43 in March) and other expenses. Councilman Jimmy Wise suggested cutting the roving trash pickup and set a route for two days a week and advertise it, thus cutting that expense plus the expense of buying a new trash truck.

Councilman John Sharpless questioned the legality of considering only two bids or quotes. Folsom again noted it was an emergency and legal. However, after some discussion off and on during the meeting, no action was taken on the two prior quotes but the Councilmen suggested the Mayor get bids from several suppliers for later consideration.

Representative Jimmy Holley met with the Council for an informal discussion of a proposal to extend the Elba City Limits. He was told the Elba Jaycees were working on a survey in the affected areas.

Teenager Is Found Dead Near Home

Last Thursday afternoon Law Officers and Rescue Squad members were called to the home of Mr. and Mrs. Roy McCarroll on Route 1, Elba. They found 17-year-old Ronald Dean McCarroll lying dead in the yard beside the house with a single gunshot wound in the chest.

A high powered rifle was near the body and Coroner Marvin McIlwain ruled that the youth died from a self inflicted gunshot wound.

To determine if all the people were interested in becoming part of the city, Holley noted he would like to see a joint resolution from the City Council and Water and Electric Board assuring the people that city services would be rendered to them. He also expressed concern that immediate action on the extension could hurt Elba's quest for federal grant monies to extend city water to these out lying areas. A joint meeting of the Council with the Utility Board was set for Tuesday to approve this resolution.

Mrs. Linda Boyce presented the Council with the findings of the Library Committee as had been requested by the Council when they established the Library Facilities Committee. Mrs. Boyce showed the Council plans for remodeling the old Gunter-Dunn building and asked their blessings on a plan to solicit funds for the renovation. The estimated cost of the project, including purchase was \$124,000. Mrs. Boyce noted that the city was obligated to the hospital expansion and was searching for funds to build a new high school and she nor the committee expected any financial commitment from the city at this time, but did need their blessings to proceed with request for donations. Council members were told that the committee has no option on the building and was not prepared to secure one at this time, therefore, it could be sold prior to obtaining the necessary funds.

The Council approved the venture but stressed they were obligated to the hospital and school first. Mrs. Boyce was also given permission to "beautify the lift station on Highland Drive" by planting azaleas, etc. at her expense.

Mrs. Carol Mashburn, chairman of the Elba City Schools Special Olympics, invited the Mayor and Council to attend the district competition at Ft. Rucker on Saturday, April 14. Police Chief Max Rayburn reported receiving \$2180.00 in fines during the past month. The Council approved the installation of new canteen in the old National Guard armory offices at the cost of \$400.

Four vans were purchased by HRDC to be used in the cities of Dothan and Enterprise, through the cooperation and support of local officials of those municipalities. Two of the vans are regular 15-passenger vans and two are specially equipped with a hydraulic ramp to assist wheelchair and other physically handicapped clients to enter.

This program is designed to provide not only necessary travel to doctors' offices, service agencies, etc., but also to provide these persons the opportunity to get out of their homes for shopping, visiting, and other social activities.

HRDC has also contracted with SEARP & DC to provide pick-up and delivery to museum sites and other places.

The council was informed of a complaint filed on the parking of a house trailer in a R-1 zone. According to the suit, filed by Byron Bruce, Maxie Bruce, Duane Kellner, Robert English, June S. English, M. N. Martin, Addie Belle Martin against L. H. Owen and the City of Elba, the purpose to prevent the city from hooking up water, sewage and electricity to the mobile home and to cause Mr. Owen to move the mobile home from the R-1 zone. According to the Elba zoning ordinance an R-1 zone is for single family dwellings only and mobile homes are prohibited. One legal opinion offered, however says that the Supreme Court has ruled that if an individual owns the lot, owns the house trailer or mobile home and lives in it himself, blocked off up the ground then it is a single family dwelling if there are no deed restrictions. Folsom says this fits Mr. Owen's situation.

The Council meeting ended with a continuing debate on the cost of maintaining the federally sponsored CEFA program and the skyrocketing cost of gasoline.

HRDC Now Using New Vans

Four vans were purchased by HRDC to be used in the cities of Dothan and Enterprise, through the cooperation and support of local officials of those municipalities. Two of the vans are regular 15-passenger vans and two are specially equipped with a hydraulic ramp to assist wheelchair and other physically handicapped clients to enter. This program is designed to provide not only necessary travel to doctors' offices, service agencies, etc., but also to provide these persons the opportunity to get out of their homes for shopping, visiting, and other social activities. HRDC has also contracted with SEARP & DC to provide pick-up and delivery to museum sites and other places.

FFA Plant Shrubs For Project

The Zion Chapel Chapter of the FFA took advantage of the front school grounds as a community improvement project. All members of the FFA worked to plant 85 shrubs.

Donna Rugg, the Witch, won the Beta Club first place prize for best costume. Runners-up were Vickie

Ellison, the Rabbit; Evelyn Culver, the Firecracker; and Sherry White, the Pilgrim.

Beta Club Initiation Held Recently

Friday, March 9, 1979, marked the entrance of ten new members into the Zion Chapel Beta Club. It was a day full of lots of fun and excitement. The new initiates had to dress up as symbols of the various holidays which occur throughout the year. To make the day more interesting, the new members had to do whatever the old members instructed them to do throughout the entire day. Candidates for initiation are nominated on the basis of academic achievement, character, and service to the school, and approved by the faculty.

Initiated this year were: Dewayne Bell as an Elf (Christmas); Willie D. Berry as an Indian (Thanksgiving); Cindy Campbell as Cupid (Valentine's Day); Evelyn Culver as a Firecracker (July 4th); Vickie Ellison as a Rabbit (Easter); Rhonda Hussey as a Pumpkin (Halloween); Larry McWaters as Old Father Time (New Year's); Sandra Mobley as Mrs. Santa Claus (Christmas); Donna Rugg as a Witch (Halloween); and Sherry White as a Pilgrim (Thanksgiving). Congratulations, new Betas, on a job well done!

Amy Giles Celebrates Fourth Birthday

Amy Leigh Giles, daughter of Mr. and Mrs. Barry M. Giles, celebrated her fourth birthday on Saturday, March 31, 1979, with a party at her home. The theme of the party was "Wonder Woman and her Super Friends." The party table held matching decorations, and a Wonder Woman cake brought to Amy from Birmingham by her aunt, Patricia Watford. Everyone enjoyed cake, ice cream and punch, and the children received Super Friends party hats and plastic Easter eggs filled with goodies as favors. Guests attending were: Pam Baker, Amy and Wendy Kirby Cramton; Keith Gramtham; Judy Hall and Laura; Amy and Rob King; Lyn Lewis and Marsha; DeLoris Marsh and Lori; Patricia Nicholson and Kimbo; Sylvia Padgett and Kyle; Nadine Scarborough and Patrick; Mandy Shirley; Suzanne Stokes and Anna; Sara Strong, Emily and Elena. Out-of-town guests were: Patricia Watford, Amy's aunt from Birmingham; James Watford, Amy's Grandpa; Jerry and Taffy Watford, Amy's Aunt and Uncle; Penne Hipshire, Amy's cousin; all from Rome, Georgia.

Andy Bullard Gets Eight Trophies At Contest

Andy Bullard, Drum Major for Elba High School Tiger Band, received eight trophies Saturday, March 31, at Troy State University. Andy entered a contest that was sponsored by Lee Bennett of Birmingham, and included Coffee, Pike, Dale and Barbour Counties. Seven of the trophies were rated first place and were awarded for Best Appearing Military Uniform, Salutes, Commands, Fanfare, Concert and Downfield numbers. The eighth trophy was a second place and was awarded for a rifle routine.

Andy is the son of Mr. and Mrs. W. J. Bullard of Elba, and is a senior at Elba High School.

PERSONAL Mildred Roberts and her sister, Mrs. Beale DeVane visited their other sister and her husband, Mr. and Mrs. Bush Williams in Bonifay, Florida last week-end.

Cinderella Girl Pageant Set For April 28

The second annual Southeast Alabama Cinderella Girl Pageant will be held on Saturday, April 28, at College Street Elementary School in Enterprise. Age divisions are: 3-6; 7-9; 10-12; 13-17; 18-26; and 18-26. Prizes Charming. Everyone will model party dress or evening gown and sportswear. All those 7-17 will also be required to perform a talent. Talent may consist of dancing, singing, twirling, dramatics, playing an instrument, even demonstrating cooking or sewing - any kind of routine that will show poise before an audience. Entry fee is \$30.00. Winners of each age division will receive crown, sash, trophy and flowers, and also enter paid so that she may compete at state level. Alternates will receive trophies and banners. There will also be a talent winner for each age division (except the Tot division) who will also receive a trophy and banner. Additional prizes and gifts will be donated by area businesses. For more information, contact Cheryl Reddick, Director of Southeast Alabama's Cinderella Girl Pageant at 347-9411 or 598-3455.

AUDITIONS SET FOR APRIL 15

Any young man or young lady between the ages of 18-26 may audition for the title of 1979 Cinderella Girl on April 15, 1979. Prizes Charming for Southeast Alabama. Winners will represent Southeast Alabama at the International Cinderella Girl Finals in Baton Rouge, Louisiana, this summer along with emceeing the Southeast Alabama Cinderella Girl Pageant on April 28 in Enterprise. Primary consideration will be given to the applicant's personal appearance, poise before an audience, grooming, ability to communicate, and talent.

Anyone interested may call Cheryl Reddick, Director of Southeast Alabama's Cinderella Girl Pageant at 347-9411 or 598-3455.

Magnolia Club Hears About Roses

Members of the Magnolia Garden Club enjoyed a delightful and enlightening program on roses, presented by Mrs. Robert Cooper on March 1. The meeting was held in her home with Mrs. L. F. Inman serving as co-hostess. Mrs. Cooper showed slides in vivid colors, sharing the beauty of her roses that have won top winners for several years in numerous rose shows. The Coopers are recipients of many beautiful trophies. Her presentation on the appreciation of roses was concluded with a walk through the rose garden.

Mrs. Myrtle Sellers presided over a routine business session. Mrs. Herbert Bailey reported that she has planted crepe myrtle trees and pampas grass on the street going to the hospital.

It takes two hours for aspirin to reach its peak effectiveness in the average body.

DECORATING CLASS
Most homemakers are always interested in knowing what is available in home furnishings. To keep you up-to-date on what is new, we are offering a 5-week decorating class to include furniture selection and arrangement, accessories, prints and stains, wall paper, window treatment, and floor coverings.

The class will begin Wednesday, May 2, at 9:30 - 11:00 a.m. at the County Extension Office in New Brockton. The class ends May 30. For information on registration, please call my office at 894-5596. If there are enough people interested in a night class on decorating, we'll conduct a night class. Call me and let me know if you would like to attend a night decorating class.

SEAFOOD IS A NUTRITIOUS MEAT SUBSTITUTE
Looking for a good substitute for red meat or poultry? Try seafood. Besides being a tasty way to satisfy your family's appetites, seafood provides protein, minerals, and vitamins A and D.

You can use seafood in casseroles, soup and stew recipes. Herbs, spices, onion and butter are delicious additions to any seafood dish. Protein is one of the major nutrients found in seafood. It is vital to the diet to supply materials needed for growth and repair of body tissues. Most of the fish and shellfish have more than 15 percent protein and less than 5 percent fat.

The protein found in fish is easily used by the body. It is especially good in diets for growing children and elderly people.

RANGE SURFACE
Use-and-care booklets let you learn about wiping a hot range surface with a wet cloth. Why is this? Years ago, when porcelain enamel was applied much thicker, there was a tendency for it to crack from what's called "thermal shock". That is, placing something cold on hot porcelain enamel surface. But now, the porcelain enamel is put on much thinner so thermal shock isn't much of a

problem anymore. In fact, samples of today's porcelain enamel have even been heated to 500 degrees and then dunked in ice water - with no ill effects.

It's okay to wipe up spatters and spills when the range surface is hot - if you use warm water instead of cold! This reduces even the danger of damage from thermal shock. Besides, warm water works better anyway.

APPLIANCE COLORS
In a little more than two years since it was introduced, almond has become the third most popular appliance color - gold. Nearly 75 percent of all appliances sold now come in one of these three colors. The next most popular colors are avocado and copper.

Bid Sale Of Various Items To Be Held At Ft. Rucker

A spot bid sale of various items will be held Thursday, April 12, at Fort Rucker's Property Disposal Office, Building 1313. Bidding registration will begin at 7:30 a.m., and the sale will start at 9 a.m. The public is invited to participate. Office machines and furniture, household furniture and appliances, clothing and vehicles are included in the sale. Items offered for bid can be inspected at Building 1313, starting Thursday, April 5. Inspection hours are from 8 a.m. to 3 p.m. on weekdays. For further information, call 255-3511.

The Coffee County Soil and Water Conservation District held their Annual Land

USDA Sets Natural Gas Priorities Aids Energy

The U. S. Department of Agriculture took action recently to assure farmers of natural gas priorities for their needs, and to financially aid promising energy projects that utilize agricultural products, Robert English, Chairperson of the Coffee County Agricultural Stabilization and Conservation (ASC) Committee, said.

English said that natural gas uses protected against cutoff under the Natural Gas Policy Act of 1978 will include: food and fiber production and processing, production of fertilizer, agricultural chemicals, animal feed and food quality maintenance.

Quantities to be allocated for the above uses specify that: All agricultural production uses including crop drying and irrigation pumping will get 100 percent of requirements on an "as needed" basis; All agricultural users who consume 300,000 cubic feet or less per day will get 100 percent of their requirements on an "as needed" basis; Larger users who consume more than 300,000 cubic feet per day will get the amount of gas used during the highest of the last three years. These users may also have their entitlement volume under their supply pipeline's existing curtailment plan. More information on USDA energy projects may be obtained from the local ASCS office.

ALL AROUND COFFEE COUNTY

County Farm Agent TOM CASADY

NUSSANCE
A lot of calls are made to our office asking how to control sandpurs, spurge and rattlesnake weed. Just about everybody knows what a regular sandpur is. As you walk through the area the stickers will attach to the pants leg or socks.

Spurge is a low growing, spreading weed which produces a spur which even in the green stage is sticky. It is difficult to walk on spurge without shoes.

Rattlesnake weed - an official name is *Trientalis betula* - doesn't have stickers, but it produces a large, white, fibrous root system right under the surface of the ground. The root resembles rattlesnake rattles.

What is the best way to control them? A material known as Scotts Bonus Type S is about the best material we know of to control these three pests. This material can be used on Centepede and St. Augustine lawns. It needs to be put out before seed germination. It may be too late to put it out at this time to get maximum control.

If you have a problem with these weeds, get this material and follow the directions carefully. Dan Linton, our livestock marketing specialist at Auburn in discussing hog outlook said, "The hog and pig report that came out March 21 showed that swine numbers are expanding at a rapid rate. The number of all hogs and pigs on the farm as of March 1 was 13 percent above what they were a year ago. Breeding hog numbers on the farm was the most depressing statistic. These were 20 percent above what they were a year ago and would likely represent a figure large enough to send prices downward. This expansion could send hog prices to the low 30's by the fall of 1980 - that is a year from this coming fall. More on this later.

Of course, Coffee County hog producers, those who have been in the business and the new ones, know that there will be up's and down's in the price of hogs. I would hate for anyone to go in the business thinking the price of hogs will always be high.

The Swine Committee of the County Extension Council and the Hog producers directors asked for a series of meetings on hog production. Dan Presley has arranged an excellent program which will be as follows:

Dr. Harold Kjar, Extension veterinarian at Auburn, will meet with all interested producers April 9 at 7:00 p.m. in the Community Room in New Brockton. Dr. Kjar will be discussing swine diseases and herd health.

The following two Monday nights, April 16 and April 23, at the same time and place Mr. Jerry Van Dyke, swine specialist at Headland, will discuss swine facilities and swine nutrition.

If you are interested in producing hogs, don't miss these three excellent meetings beginning Monday night, April 9.

According to English, the payment rate could range between four and six cents per bushel for corn, and 33 to 45 cents for sorghum.

"Payments for the crops are computed by multiplying the established yield for the farm by the acreage planted for harvest times the payment rate," English explained. He pointed out that the payments may be adjusted downward by an allocation factor which is applied to payments on farms where producers did not reduce their 1978 corn and sorghum acreage by 5 percent from the 1977 acreage. This factor could range between 85 percent for corn and 87 to 93 percent for sorghum.

English said the payment will also be reduced downward if there was a disaster payment for the crop. The law does not permit a deficiency payment on lost production for which a disaster payment is made.

The major breed associations have confirmed their support of a sale at this location," said Walt Fancher, Bonifay, Florida, Vice President of the National Swine Producers Association. Further details may be obtained from our Secretary, George E. Trawick, who has an address in Box 47, Arlton, Alabama 36311, Telephone (205) 762-2119.

Deficiency Payments Scheduled For Corn Sorghum Products

Coffee County farmers who participated in the voluntary feed grain set-aside program last year will receive deficiency payments on their 1978 crops of corn and sorghum, according to Robert English, Chairperson of the Agricultural Stabilization and Conservation (ASC) Committee.

"The checks will be issued in early April to about 463 farms in Coffee County," English said.

Deficiency payments are made when the average price received by farmers during the first five months of the marketing year for a program crop falls below the government-established target price for that crop. The per bushel payment rate is the difference between the target price and the higher of the loan rate for the crop or the average price received by farmers. The 1978 target prices were \$2.10 per bushel for corn, and \$2.28 per bushel for sorghum. The national average loan rates were \$2.00 for corn, and \$1.90 for sorghum.

According to English, the payment rate could range between four and six cents per bushel for corn, and 33 to 45 cents for sorghum.

"Payments for the crops are computed by multiplying the established yield for the farm by the acreage planted for harvest times the payment rate," English explained. He pointed out that the payments may be adjusted downward by an allocation factor which is applied to payments on farms where producers did not reduce their 1978 corn and sorghum acreage by 5 percent from the 1977 acreage. New Brockton F.B.L.A. Boasts 4 Winners In District

Several members of the Coffee County Area Vocational Center's Future Business Leaders Club participated in the FBLA District IV competition at Charles Henderson High School in Troy, Saturday, March 24. Three of the New Brockton High School students won first place in their categories, and one placed second.

Regina Snell, a senior, won first place in Accounting I, and Jennifer DeVaughn, also a senior, won first place in the Miss FBLA competition, an event based on the student's knowledge of general business and fundamentals as well as achievements in academics.

Other events entered by the New Brockton group included Office procedures, Communications, Stenography I, Typing I, and Job Application and Interview.

Mrs. Linda Grantham and Mrs. Carolyn Watson assisted the club sponsor, Mrs. Vernette Maddox, in chaperoning the following members

AWARD WINNERS WERE... (l-r) Regina Snell, Accounting I, 1st Place; Jennifer DeVaughn, Miss F.B.L.A., 1st Place; Peggy Snell, Public Speaking, 1st Place; Rhonda Sipper, Typing II, 2nd Place.

Views From
THE
PRESSBOX

With Ricky Mulara, Sports Editor

Football jamborees were held around the area last week, and from what I've heard, the Zion Chapel Rebels really looked sharp. Zion had a very good team last year, but lost several players at important positions, and weren't expected to be that strong in the spring. However, Coach David Collins and his young team worked hard and looked in mid-season form in whipping Arton.

They have a very organized off-season weight program at Zion Chapel, and it is really paying dividends for the Rebels.

Kinston competed in the jamboree at Zion Chapel and literally got wiped out! I guess the people in Kinston are still talking basketball.

The softball season in Elba is only a little over one week away, and it looks like Elba is without a doubt the "Softball Capital" of South Alabama. The men's league will have at least 16 teams, more than any city around. Opp has 9 teams, while Greenville only has 5! For a town our size, we've got quite a men's league.

The women's league will have either 6 or 7 teams and this is the first time in quite a while Elba has sponsored a women's league. In recent years, the Elba girls have competed with teams from surrounding communities, but this year Elba is moving ahead and supporting its own league!

There has been no talk recently on the need for more tennis courts, and I don't know whether the local people have given up, or just don't care! If you agree that we need more courts, just pick up your phone and call a councilman. They were elected to serve us.

Recreation Dept.
News

Public Invited To Rules Clinic

The Elba Recreation Department will sponsor a softball rules clinic on Monday night, April 9, at 7:00 p.m., at the Recreation Center. The general rules of softball will be discussed at the meeting, and the many new rules for this season will be explained. There is no charge and the public is urged to attend!

15 Teams Attend Men's Softball

Meeting

The Elba Men's Softball League held its organizational meeting on Monday, April 2, and representatives of 15 teams were present. It was announced at the meeting that the league would start on Monday, April 16, and that entry fees into the league would be \$115 per team. Recreation Director Dennis Smith stated any team not present at Monday's meeting that wishes to join the league must be present at a meeting next Monday, April 9, at 7:00.

8 Teams Attend Women's Softball

Meeting

The Women's Softball League held its organizational meeting on Tuesday, April 3, at the Recreation Center, with 8 teams being represented. Teams represented were -- People's Bank, Bandits, Elba Merchants, House of Hobbies, Farm Bureau, Mifflin, Victoria Crickets and Southland Chicks. The league will begin its season on Monday, April 16, and will play on Mondays (2 games), Tuesdays (3 games) and Thursdays (3 games). Game times on Mondays will be 6:30 and 7:30, while on

Tuesdays and Thursdays the games will start at 6:30, 7:30 and 8:30. The games will have a 1-hour and 15-minute time limit, and there will be a 15-run rule.

Any team that wishes to get into the league that was not present Tuesday night, may join by contacting Recreation Director Dennis Smith, or by paying the \$85 entry fee at the next meeting on Tuesday, April 10, at 7:00 at the Recreation Center. Next Tuesday is the deadline to pay the entry fee!

Elba Tigers Outscore Brundidge 12-11 To Win Opener

Danny Basley slugged two home-runs and a double, and turned in a stellar defensive effort in centerfield, to lead the

Elba Tigers to a 12-11 win over the Brundidge Bulldogs in a high school baseball game played last week in Brundidge.

The win gives Elba an 1-0 record, while Brundidge slipped to 0-3. Elba got off to a fast start

in the game as they scored 2 runs in the first inning. Perry Fuller led off with a walk, advanced to third on a single

Marty Marler and then scored on a single by Carl Hamm. David Suttley singled in Marler with two outs to give the

Tigers an early 2-0 lead. Brundidge scored a lone-run in the first, but tallied 5 runs in the second to go ahead 6-2.

The Tigers scored once in the fourth to make the score 10-5, then exploded in the fifth-inning with 7 runs to regain the lead 12-10. In the big inning, Elba combined 5 hits with 3 walks, with the big blow being a 2-run homer by Danny Basley. Brundidge

closed to within 12-11 in the bottom of the fifth, but Elba pitchers Troy Brown and Carl Hamm held the Dogs scoreless in the final two frames to preserve the win.

Leading hitters in the game for Elba were Danny Basley (2-4, with 4 RBI), Perry Fuller (2-2, scored 3 times) and Gary Bradshaw (2-5, with a double). Troy Brown was the winning pitcher for the Tigers, with Carl Hamm getting a save.

National Security, Brockton & Woodland Grove Top Cage Loop

The Men's Basketball League ended its season last week with 5 games being played and 3 forfeits being

awarded. Final standings for the season were: National Security 12-0; Woodland Grove #2 8-4; Magic 8-7; Cook Chevrolet 7-5; Dorsey Red 6-6; Woodland Grove #1 6-6; Dorsey Black 6-6; Controllers 5-7; Jaycees 4-8; Dorsey Green 4-8; Dorsey Blue 3-9; and Dorsey White 1-11.

Elba Junior High

To Hold Spring

Grid Training

The Elba Junior High Tigers began spring football training this week with 52 boys out for the 2-week drills.

Coach Jerry Kirkland reports the drills will be primarily "orientation period" for the players and stated the team would not go out in pads during spring training. The Tigers, made up of 7th and 8th graders, will go out 4 days a week for two weeks.

"We are going to concentrate on teaching the fundamentals," said Kirkland "and getting the boys familiar with our system. We will put in a basic offense and defense and try to get an idea on who will play in what positions, but overall our plan is to get the boys used to our system."

Coach Wood Pleased With Spring Drills At Elba High

The Elba Tigers concluded their spring football drills on Friday, March 23, with their annual "Black and Gold" intrasquad game, and Elba's Coach Mack Wood stated, "All in all, we had a pretty good spring."

"We were fairly well pleased with the spring game," said Wood, "and most of the people played better than we thought they would. Everybody got to play, and that was our number one objective. The running game didn't look as sharp as I'd hoped, but I hope our defense had something to do with it. The teams were matched up fairly even and it was a good game."

"Everybody got a lot out of it," continued Coach Wood, "and there was good effort on both offense and defense. I was a little disappointed with the blocking. The defense looked good up to the middle and the returning players did a good job."

"Looking back over the spring," stated Wood, "I have to say it went pretty good. We didn't have a single practice rained out and we had

Kinston competed in the jamboree at Zion Chapel and literally got wiped out! I guess the people in Kinston are still talking basketball.

The softball season in Elba is only a little over one week away, and it looks like Elba is without a doubt the "Softball Capital" of South Alabama. The men's league will have at least 16 teams, more than any city around. Opp has 9 teams, while Greenville only has 5! For a town our size, we've got quite a men's league.

The women's league will have either 6 or 7 teams and this is the first time in quite a while Elba has sponsored a women's league. In recent years, the Elba girls have competed with teams from surrounding communities, but this year Elba is moving ahead and supporting its own league!

There has been no talk recently on the need for more tennis courts, and I don't know whether the local people have given up, or just don't care! If you agree that we need more courts, just pick up your phone and call a councilman. They were elected to serve us.

The Elba Men's Softball League held its organizational meeting on Monday, April 2, and representatives of 15 teams were present. It was announced at the meeting that the league would start on Monday, April 16, and that entry fees into the league would be \$115 per team.

Recreation Director Dennis Smith stated any team not present at Monday's meeting that wishes to join the league must be present at a meeting next Monday, April 9, at 7:00.

The Women's Softball League held its organizational meeting on Tuesday, April 3, at the Recreation Center, with 8 teams being represented. Teams represented were -- People's Bank, Bandits, Elba Merchants, House of Hobbies, Farm Bureau, Mifflin, Victoria Crickets and Southland Chicks. The league will begin its season on Monday, April 16, and will play on Mondays (2 games), Tuesdays (3 games) and Thursdays (3 games). Game times on Mondays will be 6:30 and 7:30, while on

Tuesdays and Thursdays the games will start at 6:30, 7:30 and 8:30. The games will have a 1-hour and 15-minute time limit, and there will be a 15-run rule.

Any team that wishes to get into the league that was not present Tuesday night, may join by contacting Recreation Director Dennis Smith, or by paying the \$85 entry fee at the next meeting on Tuesday, April 10, at 7:00 at the Recreation Center. Next Tuesday is the deadline to pay the entry fee!

Local Girls Are Big Winners At Recent Twirling Contests

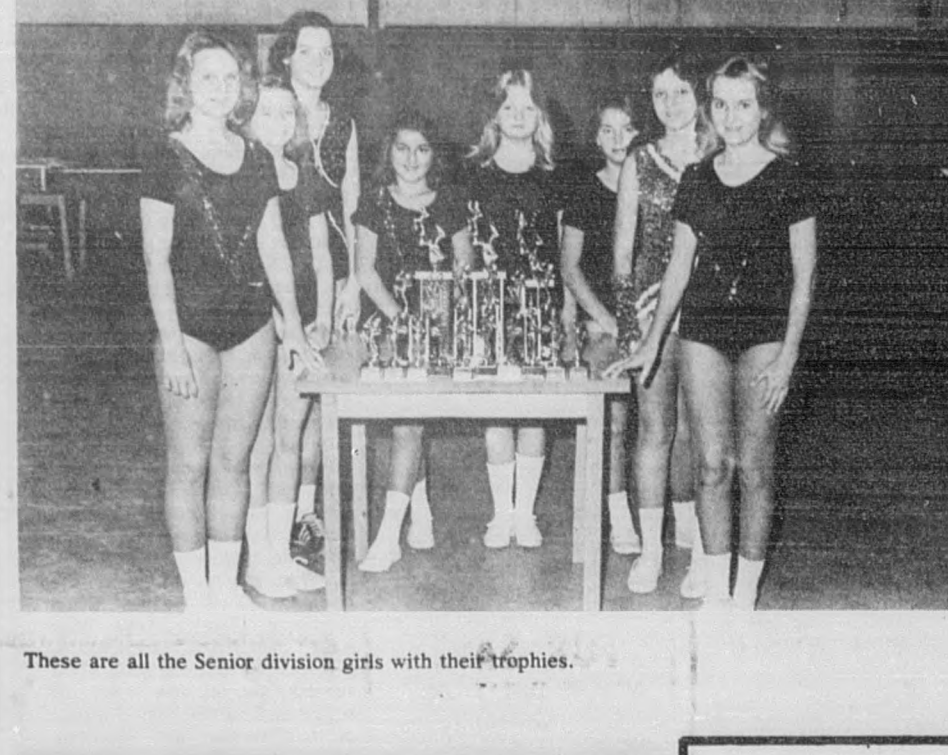

Lori Fudge, eight-year-old daughter of Carol Brown Fudge represented Coffee County as the Talent Winner in State Competition for Alabama All-American Girl, held in Montgomery and was selected 3rd runner-up. She was judged in party dress, sportswear and interview with judges. She also won the trophy for baton in which she performed a solo dance twirl to "Gressa."

Zion Chapel Beverlyettes placed 1st in their dance twirl division. L to R: Brenda Mobley, Ginger Green and Sheila Ruggs.

These little ladies placed first with their Dance Twirl. This was their first contest and represented Elba very well. L to R: Wendy Moulton, Lucinda Byrd, Capt. Amelia Bedsole, 2nd row: Deana Kyle, Susie Kelley; 3rd row: Lori Fudge Capt., Chastity Moulton, Jennifer Hudson.

These are all the Senior division girls with their trophies.

These are all the small young ladies who took part in the Centerville contest.

Pictured above are the Beverlyettes Senior dance twirl team with the 2nd place trophies which they won. L to R Bottom: Jessica Hudson, Shannon Hargrove, Kim Whitman; Top: Karen Grider, Jennifer Hudson, Peggy Whitman. Not Pictured Kim Parrish and Toni Hudson.

These girls display trophies which were won in Thorby, Alabama. This was the first contest for Deana Kyle and Lucinda Byrd and these ladies were awarded with high placed trophies along with Lori Fudge. Beverly Hargrove won Miss Strat Queen and Miss Dixette she also placed first in every event and was awarded high point trophy.

Picture at right

Anitra Kyle, 3-year-old daughter of Mr. and Mrs. Dean Kyle shows off her trophies. She placed 1st in sportswear and this was also her first contest.

Toni Hudson also displays her awards which she won in Centerville.
